Golden Nugget Laughlin holds Great Green Giveaway

Property gives away 46 mile-per-gallon Toyota Prius Hybrid in month-long promotion

LAUGHLIN, Nev. – The Golden Nugget Laughlin begins its newest promotion this week, the Great Green Giveaway, starting Aug. 1 through Sept. 1, where guests will play for a chance to take home a 2008 Toyota Prius Hybrid.

The month-long promotion allows guests to earn drawing tickets by playing slots, table games, Keno or wagering in the Race and Sports Book, and submitting those tickets for daily qualifying drawings.

“With fuel prices soaring, the Great Green Giveaway is an ideal opportunity for guests to win a more fuel-efficient, environmentally-friendly vehicle,” said Tom Pohlman, general manager for the property. “We think the Hybrid vehicle grand prize makes perfect sense in today’s economy, plus our guests will have some fun enjoying their favorite casino games, while participating.”

Five winners will be selected at 4 p.m. and 8 p.m. daily to qualify for the Toyota Prius Hybrid Grand Prize. All daily qualifying winners will be submitted for the Grand Prize Drawing Sept. 1 at 6 p.m. Each qualifying winner who is present during the daily drawings will also receive a bonus of \$50 in cash for gas. During the Sept. 1 Grand Prize Drawing, second through fifth places will take home a cash award ranging from \$250 to \$2,500. Grand Prize winners do not have to be present to win; however, the Toyota Prius winner will also receive free gas for a year as a bonus if present.

For complete rules and more information on the Great Green Giveaway, guests can visit the property’s 24 Karat Club. For more information on the Golden Nugget Laughlin, please call 1-800-237-1739 or visit www.goldennugget.com.
