Golden Nugget picks College Football Games of the Year

LAS VEGAS – The Golden Nugget Las Vegas will be the first casino and sports book in the world to announce its 2010 College Football Games of the Year, June 11.

The property will be releasing lines on 200 college games starting with games on Sept. 2 through the last game on Dec. 11.

“We’re very excited to be the first casino to get these games announced to the public,” said Tony Miller, director of Golden Nugget race & sports book. “Releasing the lines this early gives sports fans their first look at what the picks will be, as well as an opportunity to bet early on them.”

The games released will primarily consist of major powerhouses like Alabama, Ohio St, USC and Florida, but most teams from all the major conferences will be included, as well. Some of the key match-ups are listed below.

The property also plans on repeating the success of its ESPN Radio live broadcast from the Golden Nugget, with an entire show dedicated to announcing these lines.

“It’s all about providing the best experience to the customer,” said Miller. “Getting our lines out first gives our customers the earliest opportunity to get in their bets on their favorite games, months before the season starts.”

For more information on actual lines for the 200 key games, contact Tony Miller beginning Friday, June 11 at tmiller@goldennugget.com. For more information on the property’s Race & Sports Book or Golden Nugget Hotel & Casino in general, visit www.goldennugget.com.
