CHART HOUSE ATLANTIC CITY TO OPEN MAY 26th

Landry's Announces Restaurant Opening in Conjunction with Purchase of Trump Marina

HOUSTON, TX - Landry's, Inc. announces the opening of Chart House at The Golden Nugget Atlantic City, *formally the Trump Marina, on May 26th, adding to their list of spectacular waterfront locations. Work on the complete renovation of the Chart House has been underway for months and the restaurant will open after Landry's officially purchases Trump Marina.

The prestigious collection of 30 Chart House restaurants is known for stunning views and delectable fare. Chart House's spectacular waterfront locations on the East Coast include highlights such as John Hancock's restored 18th-century office on Boston's Long Wharf; Annapolis' Eastport location with views of the City Dock, U.S. Naval Academy and the state capitol; the Alexandria location situated on the Potomac River offers spectacular views of the Capitol dome and Washington Mall; Philadelphia's scenic location with expanded riverfront dining areas and the Weehawken location overlooking the Hudson River and glistening New York City skyline.

"The opening of this Chart House marks a special occasion as this will be our 30th location," said Tilman Fertitta, chairman and CEO of Landry's, Inc. "We have been hard at work renovating the first phase of the property so that we can give our patrons something fresh and exciting that reflects the new spirit of the Golden Nugget. The addition of this concept is just one of the many exciting changes patrons will experience over the next few months as we prepare for a complete transformation."

Extensive renovations have been completed on the Chart House space including all new furnishings, flooring and wall finishes, custom light fixtures, chandeliers and contemporary art. Additionally, the bar area is being renovated and expanded to include televisions and lounge seating overlooking the spectacular marina view. The exterior of the Chart House has been totally refinished and enhanced with new signage and awnings. The new exterior look will provide patrons with a preview of what the modifications to the entire casino and hotel building exterior will look like upon completion.

Chef Carl Colucci, is excited to share his passion for seafood and fine dining. As Executive Chef of Chart House in Atlantic City, he brings extraordinary skill and creativity to the table with sumptuous and artful seafood specialties. Chef Colucci has acquired more than 30 years experience as Chef at various upscale restaurants in Atlantic City and New York. Known for his culinary ingenuity, Chef Colucci was educated at the Culinary Institute of America in Hyde Park, New York. He's a "hands-on" culinary professional with considerable experience in Italian, French, American, and Continental cuisine.

-more-
