## **GOLDEN NUGGET ATLANTIC CITY FIRST TO LAUNCH ONLINE LIVE DEALER IN AMERICA**

*Innovative, digital gaming platform available to players across New Jersey on  
Thursday, August 11 at 6 PM EST*

**ATLANTIC CITY, NJ (August 11, 2016)** – Golden Nugget Atlantic City will launch America’s first Online Live Dealer today, Thursday, August 11 at 6 PM EST, via GoldenNuggetCasino.com, the leading online casino operator in New Jersey with over 300 games.

With Golden Nugget’s exclusive Online Live Dealer, patrons can now play Blackjack, American Roulette and Dragon Bonus Baccarat table games with real dealers from their computer or smartphone, anywhere in New Jersey. Online Live Dealer creates a totally immersive experience that allows patrons to play live table games from their home, sitting poolside or waiting to play a round of golf with friends.

GoldenNuggetCasino.com, in partnership with Ezugi NJ, has built a sophisticated studio inside of the Golden Nugget Atlantic City to offer this innovative, digital gaming platform. Ezugi NJ, the company that provides the technology for Online Live Dealer, runs the game in real-time so players can place real-money bets and interact with real dealers at the Golden Nugget Atlantic City, as well as other players at the table – all as if they are on the casino floor. The wagering, playability and payout are as if you were sitting in Golden Nugget Atlantic City itself. According to the Company’s Chairman and CEO Tilman J. Fertitta, “We are excited to be the first domestic online gaming operator to bring Live Dealer to the US. This will clearly differentiate us from all other operators in the market, and we invite all online players to try this new and exciting online live gaming experience.”

“With the largest selection of online slots and now Online Live Dealer, GoldenNuggetCasino.com is more than ever the destination of choice for New Jersey online players,” said Thomas Winter, Vice President of Online Gaming at Golden Nugget. “Online Live Dealer creates true convergence between the casino floor at Golden Nugget Atlantic City and our online casino, which will appeal to the more traditional casino players who have yet to enjoy online real-money gaming.”

“We are honored to partner with Golden Nugget Atlantic City to bring the first ever Online Live Dealer solution to New Jersey,” said Kfir Kugler, CEO at Ezugi New Jersey. “Live Dealer games are extremely engaging and belong in the US.”

GoldenNuggetCasino.com will have the Online Live Dealer games running from 5PM – 1AM EST, seven days a week, throughout the year.
